Deb,

Pat, Eric, and Greg worked to develop a way to move forward as planned with the South Fork Wind Permit. We coordinated closely with OAQPS, OCG and ORC yesterday. Samir and Carl worked with Greg on the legal issues. HQ will share this with Joe and Tomas today. Please let us know if you would like to meet or just keep you updated. Thanks.

Megan and Jessica,

Please find attached a one-pager on our proposed plan for issuing the South Fork Wind permit. We're seeking OAR concurrence on the proposed plan. Lynne will also send this to our acting RA for her concurrence.
